Toda Corporation publishes “Toda Corporation Corporate Report 2023

Toda Corporation (Head Office: Chuo-ku, Tokyo; President: Otani Seisuke) has published the “Toda Corporation Corporate Report 2023” (Integrated Report), which summarizes the company’s financial result and sustainability activities for fiscal 2022.

This report has been produced in an easy-to-understand, concise format so that all stakeholders can understand our philosophy, management strategy, sustainability performance, and the specific value we create.

The report includes messages from managements, the progress of the “Medium-Term Management Plan 2024 Rolling Plan,” financial strategies, human resources strategies, and business strategies toward a future in which significant changes are expected. We also introduce various initiatives based on the materiality of our Sustainability Vision 2050.

We regard this report as one of our important communication tools with our stakeholders, along with our sustainability website and IR website on our official website, and we will strive to further enhance them.

<Booklet>

Corporate Report

It provides concise information on key financial and non-financial matters, including sustainability activities. The report also includes items of interest to stakeholders among the Group’s value creation stories and initiatives.
